

# How We Do

## Funky Ro & J-Lectric

You know how we do hey there is a see through  
He do not need you . with my people  
Cause you know how we do  
You know how we do  
You know how we do  
You know how we do

You know how we do  
These hoes are evil we do not need you  
Make .with my people  
You know how we do  
You know how we do  
You know how we do  
You know how we do
