

Awkward (feat. The Game)

Eric Bellinger

[Intro]

This gon' be your favourite song[Verse 1]

Yeah, why you still texting my mama?

You can let it go she ain't calling back

Why you still tryna start drama?

We ain't even together, where they do that at

Why you still calling my niggas bro?

I'm just tryna get back to way it was befo'

Back in the day when you had you're own friends

Where them bitches at? You should go and hang with some of them[Pre-Hook]

Cause this shit is just awkward

Girl this shit is just awkward

Baby you down't see me, hanging with your sister

Baby you down't see me, liking all her pictures

Baby you down't see me

So tell why everywhere I look I see you[Hook] (x2)

Girl this shit is just

Aaaaw, kwaard

Let it go, baby LIG[Verse 2]

Girl I understand you're tryna get it poppin'

But just understand with me it ain't an option

And if you're tryna holla at someone I introduced you to, baby it's gon' be a problem

Cause they gon' chose us

Cause they know I'm that nigga

And my bank America account got six figures

Word to YG, my nigga, my nigga[Pre-Hook] + [Hook] (x2)[Verse 3: Game]

You know I, you know I, you know I

You know I hate to break your heart like this

Plus we ain't start like this

We started up a Maybach together

Used to lay back together

We go way back together

Don't know why you at my mama door

All in my DM's

All these niggas walking past you left and right

You don't see them?

We can't be friends, cause this the end

Let's make amends, instead of acting crazy

I recommend you see other men

It's other fish in the sea so take a swim
She tryna work it out, I told her save that for the gym
You're attitude's a 5, and this bitch I'm with's a 10
And I just brought a straitjacket for you so get in[Pre-Hook] + [Hook] (x2)[Outro]
You should LIG
Let it go baby
Cause you're looking crazy
Yeah you're looking crazy, girl
