

Last Goodbye

[Jeff Buckley](#)

This is our last goodbye
I hate to feel the love between us die
But it's over
Just hear this and then I'll go
You gave me more to live for
More than you'll ever know Well this is our last embrace
Must I dream and always see your face
Why can't we overcome this wall?
Baby, maybe it's just because I didn't know you at all Kiss me, please, kiss me
But kiss me out of desire, baby no consolation
Oh you know it makes me so angry 'cause I know that in time
I'll only make you cry, this is our last goodbye, oh no Did you say "No, this can't happen to me"
Did you rush to the phone to call?
Was there a voice unkind in the back of your mind saying
"Maybe, you didn't know him at all
You didn't know him at all, you didn't know, you didn't know" Well, the bells out in the church tower chime
Burning clues into this heart of mine
Thinking so hard on her soft eyes and the memory
Of her sighs that, it's over, oh so over
