

# Long Time Coming

Oliver James

Everybody wants to be loved  
every once in a while  
we all need someone to hold on to  
just like a helpless child  
yeah  
can you whisper in my ear  
let me know it's alright  
it's been a long time coming  
down this road  
and now i know  
what i've been waiting for  
and like a lonley highway  
i'm trying to get home  
ooo loves been a long time coming  
you can look for a lifetime  
you can love for a day  
you can think you got everything but  
everything is nothing when you throw it away  
yeah  
then you look in my eyes  
and i have it all  
once again  
it's been a long time coming  
down this road  
and now i know  
what i've been waiting for  
just like a lonley highway  
i'm trying to get home  
ooo loves been a long time coming  
didn't know i was lost  
til you found me  
uh huh  
didn't know i was blind  
but now i see  
can you whisper in my ear  
let me know it's alright  
it's been a long time coming  
down this road  
and now i know

what i've been searching for  
oh been a long long highway and  
now i see  
ooo loves been a long time  
ooo been a long time  
loves been a long time coming
