

# Boom Boom In The Zoom Zoom Room

## Blondie

Passing the match test?  
That's some kind of tease, cuz everything rests on the moment the little flame sees.  
Let's go boom boom in the zoom zoom room. If you get past that brief little flash, take down my number with  
your pencil moustache.  
Play truth or dare in the light of a strike anywhere.  
Don't follow the fallen already lying down there. Let's go boom boom in the zoom zoom room.  
Oh yeah, uh huh.  
Boom boom in the zoom zoom room. I'll be the cause you can champion.  
Your scarlet companion.  
And won't it be fine?  
Keeping my head above water.  
I'm no farmer's daughter.  
No clinging vine. When we trip the light fantastic, a feeling so rare,  
it will follow your features aligned by the glare...  
Let's go boom boom in the zoom zoom room.  
Let's go boom boom in the zoom zoom room. I'll be the cause you can champion.  
Your scarlet companion.  
And won't it be fun?  
I'll keep my head above water.  
I'm no farmer's daughter.  
No clinging vine. Passing the match test and no one says thank you  
Cause they're gone just as fast as a breeze. Boom boom in the zoom zoom room.  
Yeah, let's go boom.  
Boom boom in the zoom zoom room.  
Ah, let's go, let's go boom boom in the zoom zoom room.
