Ten Miles

Infernal

Lately, you don't even talk to me And you don't need me, like you used to do The only never ever was for me I won't always hold my head up highOh, oh, I don't know why Oh, oh, why don't you mind? Oh, oh, I don't know why Oh, oh, you must be blindTen miles from you and all I can do Is wonder how we'll pull it through Ten miles from you, it shouldn't be true I don't know how we'll pull it throughI was, never, warned to be deceived But with you, oh, I lose my mindOh, oh, I don't know why Oh, oh, I lost my pride Oh, oh, I don't now why Oh, oh, you blow my mindTen miles from you and all I can do Is wonder how we'll pull it through Ten miles from you, it shouldn't be true I don't know how we'll pull it throughTen miles from you and all I can do Is wonder how we'll pull it through Ten miles from you, it shouldn't be true I don't know how we'll pull it throughTen miles from you and all I can do Is wonder how we'll pull it through Ten miles from you, it shouldn't be true
