

Bomb This Track

Mindless Self Indulgence

Yo!
Thanks for the party
And the maserati
You all rock my body
And now I'm gone
Bye! Thanks for the party
The Moet, the girls,
The front row tickets
Yeah--
Goodbye! Thanks for the party
And the paparazzi
Everybody knows it
Now I'm embarrassed! Thanks for the party
The house, the girls, the breasts,
And, oh yeah,
Doing my laundry I wanna testify
I was not notified
When did my mother start
Buggin out n' getting high
I wanna take a chance
Deep in your underpants
All my little girls
Everybody kiss my ass Bomb! Bomb this track!
Disrespect!
No regrets!
Bomb this track! YO!
Thanks for the party

You all rock my body
And now I'm gone
