

# Decadence (OST NFS: Most Wanted)

## Disturbed

Say, yes they know that you hurt yourself another time  
Don't they know that you're full of pain already?  
Yes they know that you hurt yourself another time  
Decadence isn't easy, is it?  
Yes they know that you hurt yourself another time  
Don't they know that you're full of pain already?  
Yes they know that you hurt yourself another time  
Decadence isn't easy Then you slowly recall all your mind  
Why, your soul's gone cold, and all hope has run dry  
Dead inside  
Never enough to forget that you're one of the lonely  
Slowly recall all your mind Say, yes they know that you hurt yourself another time  
Don't they know that you're full of pain already?  
Yes they know that you hurt yourself another time  
Decadence isn't easy, is it?  
Yes they know that you hurt yourself another time  
Don't they know that you're full of pain already?  
Yes they know that you hurt yourself another time  
Decadence isn't easy Slowly recall all your mind  
Why, your soul's gone cold, and all hope has run dry  
Dead inside  
Never enough to forget that you're one of the lonely  
Slowly recall all your mind If I scare you now  
Don't run from me  
I've been hiding my pain, you see  
Said if I scare you now  
Don't run from me  
I've been hiding my pain, you see Slowly recall all your mind  
Why, your soul's gone cold, and all hope has run dry  
Dead inside  
Never enough to forget that you're one of the lonely  
Slowly recall all your mind  
Slowly recall all your mind Say, yes they know that you hurt yourself another time  
Don't they know that you're full of pain already?  
Yes they know that you hurt yourself another time  
Decadence isn't easy is it
