Chances

Jill Barber

Chances, what are the chances -
The chances that I'd find you?
Stealin' glances, across a crowded room -
And takin' a chance or two.Love - it has a funny way of knowin' what to do.
Oh, but the chances, what are the chances -
The chances that I'd find you?Instrumental----------Old romances, I've had a few -
But none like this before.
The circumstances, that brought me to you
Are they just chances and nothin' more?Love - it has a funny way of showin' what is true.
Oh, but the chances, what are the chances -
The chances that I'd find you?Instrumental----------(Love - it has a funny way of knowin' what to do)Oh, but the chances, what are the chances -
The chances that I'd find you?
