

# Have You Seen Me

## GWAR

Mommies, I've been stealing your babies I gag the brat and then maybe...

I'll suck out his brain

You know... Dead kids, they're making me feel almost hard

Go get one from the school yard

He bled like a stuck pig

[Chorus:]

Have you seen me?

Have you seen me?

Have you seen me?

Me.. Have you seen me?

Have you seen me?

Suckle my bloated love knuckle

Just like Fatty Arbuckle I'm gay and I'm proud

That right...

Faggot and a corpse full of maggots I want to blow cum not bag it

Goddamnit I'm horny!

[Chorus]

It's just a dead child

An object I've defiled

Yes I know its wrong

You'd rather that it was your mom? [x2]

Your mom, my mom, our mom, anybody's mom

Have you seen me?

Have you seen me?

Have you motherfucking seen me?

Have you seen me?

Have you seen me?

Me... Have you seen me?

Have..You..Seen...Me!!! Sated!

Now that I masturbated I'm in love but I'm hated I don't follow the crowd

But I said you.. Your covered in vile spew

My filthy chunks are all over you

My filthy filthy filthy chunks

My filthy filthy filthy....
