Without Love (Performance Track In Key of Gm)

Stacie Orrico

If I speak in the tongues of angels, but have not love
I'm only a resounding noise
If I have the gift of knowledge
And if my faith moves mountains high
But have not love I am nothing[Chorus]
Though I know the One
Who holds the stars in the heavens
In the palm of His hand
If I give all I possess
To the poor and the helpless
I'll still gain nothing
Without love(Without Love)Love's patient
True love is always kind
Love does not envy
Never brags, it's never proud
Slow to wrath, it keeps no records of wrongs against friends
Love forgives
We all could use forgivenessThough I know the One who holds (I know the One)
The stars in the heavens
In the palm of His hands
If I give all I possess (All I possess)
To the poor and the helpless
I'll still gain nothing (without love)oh... OOh... without love... ohLove never fails
Love is true
Love's the one thing that can always change you
Love is patient
Love is kind
Love's the one reason the world survives
Love never fails
Love is true
Love's the one thing that can always change you
Love is patient
Love is kind
Love's the one reason the world survivesThough I know the One who holds (I know the One)
The stars in the heavens
In the palm of His hands (Oh..)
If I give all I posses (All I possess)
To the poor and the helpless
I'll still gain nothing

Without LoveWithout Love
