

# Without Love (Performance Track In Key of Gm)

## Stacie Orrico

If I speak in the tongues of angels, but have not love  
I'm only a resounding noise  
If I have the gift of knowledge  
And if my faith moves mountains high  
But have not love I am nothing [Chorus]  
Though I know the One  
Who holds the stars in the heavens  
In the palm of His hand  
If I give all I possess  
To the poor and the helpless  
I'll still gain nothing  
Without love (Without Love) Love's patient  
True love is always kind  
Love does not envy  
Never brags, it's never proud  
Slow to wrath, it keeps no records of wrongs against friends  
Love forgives  
We all could use forgiveness Though I know the One who holds (I know the One)  
The stars in the heavens  
In the palm of His hands  
If I give all I possess (All I possess)  
To the poor and the helpless  
I'll still gain nothing (without love) oh... OOh... without love... oh Love never fails  
Love is true  
Love's the one thing that can always change you  
Love is patient  
Love is kind  
Love's the one reason the world survives  
Love never fails  
Love is true  
Love's the one thing that can always change you  
Love is patient  
Love is kind  
Love's the one reason the world survives Though I know the One who holds (I know the One)  
The stars in the heavens  
In the palm of His hands (Oh..)  
If I give all I possess (All I possess)  
To the poor and the helpless  
I'll still gain nothing
