

She Told Me

Blue

There was a girl I knew, she was more the beautiful
She had a mind of her own five foot eight or more
She was a real wild child and nothing could hold her back
She was my sis's best friend so now you know where it's at, oh yeahShe's always been around, me and her were
always down
Right in front of me, how could I be too blind to see?
She was always hangin' out, me and her, we talked about
Everything I never knew, she told me "If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me
"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me
She told me, she told meIt was one of those times, way back in the day
She was at my door with a smile across her face
I said, "My sister ain't home, she's gone out for a while"
She said, "That's cool with me that's the reason I came by", oh yeahShe's always been around, me and her were
always down
Right in front of me, how could I be too blind to see?
She was always hangin' out, me and her, we talked about
Everything I never knew, she told me yeah "If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me
"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me
She told me, she told me
Yeah, yeah, yeahSing, na na na na na
Na na na na na
Sing, na na na na na
Na na na na naOh, na na na na na
Na na na na na
Sing it with me na na na na na
Na na na na na "If you like my style, come on
If you need a ride, come on

Compatible star sign, come on"
That's what she told me"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
That's what she told me"If you like my style, come on
If you need a ride, come on
Compatible star sign, come on"
She told me
