# Caustic Disco

## Velvet Acid Christ

Hell emission
Sell emotion
Sick devotion
Down in the gutter
(X2)Caustic disco city on fire
Burning a fuse, fueling my desire
Disco electro getting me down
Pushing this sound to the undergroundHatin that you want it
Hatin that you need it
(X4)Hell emission
Sell emotion
Sick devotion
Down in the gutter
(X2)Caustic disco city on fire
Burning a fuse, fueling my desire
Disco electro getting me down
Pushing this sound to the undergroundWhen I think about them
You know, out there
In their rooms
On the streets
Utilizing public transportation
Downloading pornography
Living their lives out of catalogues
Shitting out processed foods
Cashing welfare checksHell emission
Sell emotion
Sick devotion
Down in the gutter
(X2)Caustic disco city on fire
Burning a fuse, fueling my desire
Disco electro getting me down
Pushing this sound to the undergroundHatin that you want it
Hatin that you need it
(X4)Hell emission
Sell emotion
Sick devotion
Down in the gutter
(X2)Caustic disco city on fire
Burning a fuse, fueling my desire

Disco electro getting me down
Pushing this sound to the undergroundWe will delve into what it means to be inhuman
You will see perversion and corruption of the flesh
By all means unnatural
By violence
By toxin
By banditsHell emission
Sell emotion
Sick devotion
Down in the gutter
(X2)Caustic disco city on fire
Burning a fuse, fueling my desire
Disco electro getting me down
Pushing this sound to the undergroundWe're not gonna kill you
Oh no, no you see we've got special places for things like you
Where they cut you up, but they keep you alive
When they cut you so they can see what makes you tick
And they'll see what makes you sick
And I'll be there
Oh yea, I'm gonna be there to see...
