See Me Through

[Eric Lindell](#)

Darlin', wherever I go
You know whatever I do
And girl, wherever I go
Know I'm thinkin' of youThat it's true, that I do
Your love is gonna see me throughGirl, whenever I'm down
You know whenever I'm blue
Wherever I'm alone
Girl, you carry me thoughOh, you do and that's true
Your love is gonna see me through
Your love is gonna see me throughDarlin', wherever I go
You know whatever I do
Wherever I go
Know I'm thinkin' of youOh, you know it's true that I do
Your love is gonna see me through
Your love is gonna see me through
Your love is gonna see me through
