

Brainpower (Mark Saunders Remix)

Freezepop

I love it had a good idea the other day
gonna start a new band and we'll learn to play
yeahhhhhh
we'll be the best
if you're looking for our record at the mall
well here's the thing, we'll be called
braaaaainpowerbrainpower! (7x) did I mention I was drunk
when I thought it up
it was kinda dumb
noooooooooooooooooo
maybe not the best
it is not a good band name
no, I should have used that very same
braaaaainpower that I'd mentioned before
