

Like A Lion

Zircus

Let love explode and bring the dead to life
A love so bold to see a revolution somehow
Let love explode and bring the dead to life
A love so bold to see a revolution somehow

Now I'm lost in your freedom

This world I'll overcome

My God's not dead, He's surely alive
And He's living on the inside, roaring like a lion

My God's not dead, He's surely alive
He's living on the inside, roaring like a lion
Roaring like a lion

Let hope arise and make the darkness hide
My faith is cold, I need a resurrection somehow
Let hope arise and make the darkness hide
My faith is cold, I need a resurrection somehow

Now I'm lost in Your freedom

This world I'll overcome

My God's not dead, He's surely alive
And He's living on the inside, roaring like a lion

My God's not dead, He's surely alive
He's living on the inside, roaring like a lion
My God's not dead, He's surely alive
He's living on the inside, roaring like a lion

My God's not dead, He's surely alive
He's living on the inside, roaring like a lion

Let Heaven roar and fire fall

Come shake the ground with the sound of revival

Let Heaven roar and fire fall

Come shake the ground with the sound of revival

Let Heaven roar and fire fall

Come shake the grounds with the sounds of revival

Let Heaven roar and fire fall

Come shake the grounds with the sounds of revival

My God's not dead, He's surely alive
And He's living on the inside, roaring like a lion

My God's not dead, He's surely alive
He's living on the inside, roaring like a lion
My God's not dead, He's surely alive
He's living on the inside, roaring like a lion

My God's not dead, He's surely alive
He's living on the inside, roaring like a lion
He's roaring like a lion
