

Ball Of Twine

Louis Xiv

I'll take a ball of twine
And I'll twirl ya
Like a yo-yo on the ground
Ya come up before you go down
To a ball of twine
You're like a yo-yo
Runnin' on the ground
Ya come up before you fall down
Well, God, saved The Kinks
And the music from The Big Pinks
'Cause sonny boy
Well, he's better than ya think
And there are things
That I hear on the radio
Where they're singin'
All the same music fablio
I'd rather listen to The Jets
From the kitchen sink
So God, saved the music
And God, saved The Pinks
