REVOLUTION

YOHIO

Have you read the news today?
Well, the same thing happened yesterday
Oh...
And I know that you know what I mean

Reality has gone too far
It's sick and twisted, has no heart
And I know that you know what I mean

The world is going down
and something has to change

REVOLUTION
let us show them that it's the
ONLY SOLUTION
'cus now it's up to you and me
REVOLUTION
let us show them that it's the
ONLY SOLUTION
If we keep fighting
we will light our own star

Did you watch the news today?
Well, it's all just bullshit anyways
Oh...
And I know that you know what I mean

Insanity has reached my mind
I can't pretend anymore that I am fine
This is not who I want to become

But if we reach the sky
then we will rise again

REVOLUTION
let us show them that it's the
ONLY SOLUTION
'cus now it's up to you and me
REVOLUTION
let us show them that it's the

ONLY SOLUTION
If we keep fighting
we will light our own star

We can end this if we try
We have one more chance tonight
Sometimes I wish I could fly
so I won't have to walk this path again

REVOLUTION
let us show them that it's the
ONLY SOLUTION
'cus now it's up to you and me
REVOLUTION
let us show them that it's the
ONLY SOLUTION
If life keeps failing you
just catch your own star

If we stay strong enough
to light our own star
If life keeps failing you
just catch your own star
If you keep smiling
you will light your own star
