Take It Like a Man

Samson

Leading me on, you've been a bad, bad boy,
Betcha since you've been a kid you've been a mama's toy
I'm gonna teach you, you're going to learn,
Don't fool with me, I'm gonna make you burnLittle boy blue, take off your shoe,
Just come a little closer so my aim is true
I don't wanna do it gonna make you hop,
It's hurting me, is it hurting you?Take it like a man, gonna do it all I can
Take it like a man, gonna do it all I can
Touch of the lash, you gotta discipline rash,
Six of the best bust, my leather strap,
I'm the master and you're the slave,
Bend over son, your gonna be saved.
