Achilles Heel

Goodbye to the sky
You know I can't fly but I feel love
Do you know how I feel
You are my Achilles heelHello to below
I feel love flow like a river flow
I'm standing still
You are my Achilles heelFeeling free yeah what about me
Well you gotta give it up 'cause I feel love
Do you know how I feel
You are my Achilles heelGoodbye to the sky
You know I can't fly but I feel love
Do you know how I feel
You are my Achilles heelBut there's a child in our eye's
And the child never dies
So keep the dream alive
When the air I suck inside
I can push with all my might
And the statue in the sky
With my Achilles heelSmall cry don't know why
I gotta get high just to love a lot of you
I am low from my head to my toes
I said hey la
Will I go far, will I go far
'Cause I feel love
Do you know how I feel
You are my Achilles heelI said oh no no
Will I go slow now will I go slow
Will the feeling flow
But there's a child in our eyes
And the child never dies
So keep the dream alive
When the air I suck inside
I can push with all my might
And the statue in the sky
With my Achilles heel.
