'Til We Die

Slipknot

My friends are all hurting From moments and regrets And charity laced with a lie And still we keep hoping To fix all the defects

And strengthen these seminal tiesWe go on together for better or worse

Our history is too real to hate

Now and forever, we stay until morning

And promise to fight for our fates'Til we die

'Til we dieThe start of the journey is every bit worth it

I cant let you down anymore

The sky is still clearing, we're never afraid

And the consequence opens the doorI never stopped trying, I've never stopped feeling

Like family is much more than blood

Don't go on without me

The piece that I represent compliments

Each and everyone Til we die

'Til we die

We won't be forgotten

We'll never give in

This war we've achieved

Has allowed us to win'Til we die

Til we dieMy last true confession will open your eyes

I've never known trust like the 9

Let it be spoken, let it be screamed

They'll never, ever take us alive'Til we die

'Til we die

We won't be forgotten

We'll never give in

This war we've achieved

Has allowed us to winCarry on

Carry onWe'll never be broken, we won't be denied

Our war is the pressure, we need to unite

We'll never be broken, we won't be denied

Our war is the pressure, we need to unite'Til we die

'Til we die

We won't be forgotten

We'll never give in

This war we've achieved

Has allowed us to winCarry on Carry on We'll never be broken We won't be denied Our war is the pressure We need to unite'Til we die 'Til we die 'Til we die 'Til we dieWe won't be forgotten We'll never give in This war we've achieved Has allowed us to win'Til we die 'Til we die We'll never be broken We won't be denied Our war is the pressure We need to unite
