

Lord of Love

Corby LaCroix

VERSE 1:

In the clefted Rock I hide, Savior let me here abide
Sheltered from the stormy gale, all secure within the vale
When the surging billows roll, there's a calm within my soul
While my trust in Thee is stayed, I shall never be afraid

CHORUS:

Hallelujah, to the Lord of love
God of mercy, Blessed King
Word of righteousness, on my heart impress
This hope that proves to be, in Christ who died for me

VERSE 2:

Safely in that Rock I hide, while it breaks the rolling tide
He whose power controls the deep, stands my helpless soul to keep
Though I walk in ways unknown, I am never left alone
But whatever may betide, He is walking by my side

VERSE 3:

When this earthly house shall fall, and my days are numbered all
Then my house not made with hands, evermore in glory stands

TAG:

Where will my comfort be, in Christ who died for me
