Theme from "A Summer Place"

The Lettermen

There's a summer place Where it may rain or storm Yet I'm safe and warm For within that summer place Your arms reach out to me And my heart is free from all care For it knows, there are no gloomy skies When seen through the eyes Of those who are blessed with love And the sweet secret of a summer place Is that it's anywhere when two people share All their hopes, all their dreams, all their loveThere's a summer place Where it may rain or storm Yet I'm safe and warm In your arms, in your arms In your arms, in your arms In your arms
