

# Chiquita Chaser (Album Version)

## Millencolin

well I'm afraid i'm not that rude I took you to the A-house and even to the punk-palats  
those trips made you throw up and after a few nights you took off  
to the holm of asp's that's where you belong When it comes to you it's hard to have an open mind  
so I just have one advice, to say....
