Smokahontas

Attack Attack!

I'm alone in a crowded room
Conversations that I'll never remember
Trapped in a reality
That shouldn't be, that shouldn't be
Show me the way
Allow me to see, 'cause my heart is broken
Be my escape
Allow me to hear with a word unspoken
Oh, I am separated
From the one I was made to love
I'm pathetic and lost
They are so separating
I am the one who had control
You are upon me
This darkness closing in
Is just beginning
This darkness closing in
Is just beginning
Show me the way
Allow me to see, 'cause my heart is broken
Be my escape
Allow me to hear with a word unspoken

Oh, let me feel this love again
Let me feel this love again
Oh, I am separated
From the one I was made to love
What is this life void of love?
It's not a life at all
What is this life void of love?
Can you feel your heart as it hits the ground?
Can you feel your heart as it hits the ground?
This darkness closing in
Is just beginning
This darkness closing in
Is never going to end
How do you expect me to trust you
When everything you say is a lie?
I'm sticking up for my friends I can count on

This is loyalty, this is a family
This is a family
This is a family
