

Shining Star.

The Manhattans

Ooo oo oooo, yeah
Honey you are my shining star
Don't you go away, ooh baby
Wanna be right here were you are until my dying day, yeah baby
So many have tried, tried to find a love like yours and mine
Mmm mmm mmm
Girl don't you realize how you hypnotize
make me love you more each time yeah baby
Honey I'll never leave you lonely
Give my love to you only
To you only
To you only
Honey you are my shining star don't you go away, no baby
Wanna be right here were you are until my dying day yeah baby
Feels so good when we're lying here next to each other lost in love, yeah baby
Baby when we touch love you so much your all I ever dream of, yeah baby
Honey I'll never leave you lonely
Give my love to you only
To you
Only to you
Don't you go away girl, nooo baby
Wanna be right here were you are
Until my dying day, hmmmm
Honey you, you are my shining star don't you go away, woah oh baby
Honey you are my shing star
Don't you go away, noo baby
Honey you are my shining star
