All My Life Version

Chezidek

All my life
And all my days
The joy of my heart is to give Rastafari praise
Put down that burden
Ease that pain
I & I trodding Rastafari wayMighty Jah, I King who make all good things possible
To be alone, I call when my heart is in trouble
Keeper of my soul
Jah is in control
All ye weary souls - Rasta door is wide open
The love of Jah so great
Trod up and keep the faith
No time to contemplate or linger no more
Exalt Jah name!
Exalt Jah name!
For He is worthy!
All my life
And all my days
The joy of my heart is to give Rastafari praise (Rastafari praise)
Put down that burden (burden)
Ease that pain
I and I trodding Rastafari wayFor babylon world is a heavy, heavy load (load)
And it's a very, very, very long journey
You're gonna need Jah down the road
You're gonna need Jah when the fire start burning
I say -
One perfect love
is the key to Jah door
So come now, one and all,
give up Jah ises more and more
Give Thanks For the sun come shining
Give Thanks For the moon at night
Give Thanks For the rains that falling
Give Thanks For the cool wind blowing by
Exalt Jah name!
For He is worthy!All my life
And all my days
The joy of my heart is to give Rastafari praise
Put down that burden

Ease that pain
I and I trodding Rastafari wayAll my life
And all my days
The joy of my heart is to give Rastafari praise
Put down that burden
Ease that pain
I and I trodding Rastafari wayAll my life
