# The Boy (Remix)

## Samantha Mumba

Checkin' you walkin' round in ya Timbs and
I must admit that you're looking kind of fly, man
Rough boy, tough boy attitude and
You gotta know that I wanna be down and
(Ooh) Look at you bling-blinging
(Ooh) You got me feening
(Ooh) Inside I'm screaming
(Ooh) Boy
I can't maintain when I hear your name
Cause you got it and I want it
Boy, you're what I'm looking forA thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?
A thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?The next day, you came by looking nice man
I peeped the ice in your ring and cross and
I wanna know, can you come back by and
The way I'm feeling makes me wanna get down and
(Ooh) Can't stop what I'm feeling
(Ooh) You got me daydreaming
(Ooh) Inside I'm screaming
(Ooh) I like what I'm seeing
I'm swept away by your dismay
Cause you got it and I want it
Boy, you're what I'm looking forA thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?
A thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?I love the way you are
I love the way you talk
Oh boy, oh boy
Spin it for me won't yaYou wanna be my chick, well you can be my chick
I'll break you off with some loving that you just can not resist

And girl you won't forget, this type of loving rare
You'll be outta cause the way that Willy make you scream
The way that Willy make you cream, I'll really make a scene
That you in heaven but this time it wasn't just a dream
It's actuality and my formality
Is to caress your mutuality and sexuality
(So soft) You want me boo (Yes I do)
I want you to (You really do)
Yeah, that's correct
Wanna connect with you and neck with you
And it be natural, so natural, pleasurable, fantasticalIt's no mystery, baby
You're my fantasy, baby
It's our destiny, baby
Cause you got it and I want it
Boy, you're what I'm looking
All I'm looking forA thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?
A thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?A thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?
A thug boy, a tough boy
A rough boy, my kind of boy
A cute boy, a hit boy
Oh, you should be my boyfriend, boy?My kinda man
My kinda guy
I'm feeling you
Be my boyfriend
I'll be your girlfriend
Oh, you should be my boyfriend
Boy
