

A Hard Lesson to Learn

Shooter Jennings

Well I heard Jimmy Rogers sing
On my daddy's old record machine
Something bout a when you got love
All you got is love to lose
And if I learned one thing about hank
Is that him and his kid like to drink
Living whiskey bent, feeling lovesick blues
Straight to hell
I'm a whiskey drinking, new low sinking
Love em and leave em kind And if it's worth keeping, you better believe it
I'm loosing it with my mind
Anything I pick up from one of them songs
Just a new way not to get burnt
But it's the same old bottle
Same old blues
The same hard lesson to learn Well I heard that old George Jones
Bottomed out from all the no shows
Girl I'm watching my heroes run away like hall up pow
And a little like a rolling stone
I ain't worth it if I gotta be alone
I'm a lost highway, the devil collects the tolls
I'm a whiskey drinking, new low sinking
Love and leaving kind And if it's worth keeping, you better believe it
I'm loosing it with my mind
Anything I pick up from one of men song
Just a new way not to get burnt
But it's the same old bottle
Same old blues
The same hard lesson to learn
