

Be a Good Friend (feat. Candi Pearson Shelton)

North Point Kids

Slide slide slippity slide
Zip zip zippity zee
Zoom swoosh here with go
Sing along with me

I can be a good friend
God wants me to
I can be a good friend
A good friend to you

I can share my toys
We can play outside
We can jump so high
We can swing and slide

Slide slide slippity slide
Zip zip zippity zee
Zoom swoosh here with go
Sing along with me

I can be a good friend
God wants me to
I can be a good friend
A good friend to you

I can say I'm sorry
When I hurt you
I can say I'm sorry
Like good friends do

Slide slide slippity slide
Zip zip zippity zee
Zoom swoosh here with go
Sing along with me

Slide slide slippity slide
Zip zip zippity zee
Zoom swoosh here with go
Sing along with me

I can be a good friend
I can be a good friend
I can be a good friend
I can be a good friend

Slide slide slippity slide
Zip zip zippity zee
Zoom swoosh here with go
Sing along with me

Slide slide slippity slide
Zip zip zippity zee
Zoom swoosh here with go
Sing along with me

I can be a good friend
I can be a good friend
I can be a good friend
I can be a good friend

I can be a good friend
