

Steal Me Away

Olivia Lane

Maybe momma should have made me small town
That's the only world I've ever known
I've never dreamed a dream beyond the sundown
There's plenty boys around this place, I wouldn't die alone

Ooh, these thoughts spinning in my head
Bout who I want to be instead

Cause I like blue, won't you buy me something red?
I prefer these boots, buy me heels instead
I like to play it safe, crash me on the rocks
Come in like a thief, I'll leave my heart unlocked
So steal me away

You're like a brand new song I want to turn up
You're the colors that I didn't know exist
Wrap me in your arms, take me somewhere far far away
Steal me now, steal me now I won't resist cause

Ooh, these thoughts spinning in my head
Bout who I want to be instead

Cause I like blue, won't you buy me something red?
I prefer these boots, buy me heels instead
I like to play it safe, crash me on the rocks
Come in like a thief, I'll leave my heart unlocked
So steal me away, steal me away

Ooh, you put a window in my wall
Ooh, with you I want to see it all
Ooh, you're like a brand new day
Ooh, stealing me away cause

Cause I like blue, won't you buy me something red?
I prefer these boots, buy me heels instead
I'm a small town soul, show me Broadway lights
I'm a morning girl, keep me up all night
I like to play it safe, crash me on the rocks
Come in like a thief, I'll leave my heart unlocked
So steal me away, steal me away
