

Chelsea (Acoustic Brian Logan Dales & John Gomez)

The Summer Set

Let's take this back 2005
Drinks are pouring, girls so fine
So many dimes got dollar signs
And there she goes
Right on the spot
Got a taste so sweet
I swear this beat will make you wanna drop
She wears a new dress everyday
No she won't stop making the crowds scream
I can't hear anything
But hey, its Miss LA again, again
Chelsea, Chelsea tell me you love me
Chelsea, Chelsea are you feeling me now?
Chelsea, Chelsea I think its about time we get down
Get down, I want more
I wrote her a song
Not Delilah, not Kelsey
Had them both in my palm, but I dropped them for Chelsea
Hey, hey, what'd you say?
You've been looking good today
Lets go out on the town and I'll tell the girls that I'm taken
Chelsea, Chelsea tell me you love me
Chelsea, Chelsea are you feeling me now?
Chelsea, Chelsea I think its about time we get down
Get down, I want more
If its worth your time
I've got ten digits I'd like you to find
But, oh I won't get that call
You've got so much to give
I've got nothing at all
Chelsea, Chelsea tell me you love me
Chelsea, Chelsea are you feeling me now?
Chelsea, Chelsea I think its about time we get down
Get down, there ain't no stopping us now
Get down, get down
I want more
Chelsea, Chelsea tell me you love me
Chelsea, Chelsea are you feeling me now?
Chelsea, Chelsea I think its about time we get down
Get down, there ain't no stopping us now
Get down, get down
I want more
