

# Crash and Burn

## Ballistic Cats

When you feel all alone  
And the world has turned its back on you  
Give me a moment please  
To tame your wild, wild heart I know you feel like the walls are closing in on you  
It's hard to find relief  
And people can be so cold  
When darkness is upon your door  
And you feel like you can't take anymore Let me be the one you call  
If you jump I'll break your fall  
Lift you up and fly away with you into the night  
If you need to fall apart  
I can mend a broken heart  
If you need to crash then crash and burn you're not alone When you feel all alone  
And a loyal friend is hard to find  
You're caught in a one-way street  
With the monsters in your head  
When hopes and dreams are far away  
And you feel like you can't face the day Let me be the one you call  
If you jump I'll break your fall  
Lift you up and fly away with you into the night  
If you need to fall apart  
I can mend a broken heart  
If you need to crash then crash and burn you're not alone Because there has always been heartache and pain  
And when it's over you'll breathe again  
You'll breathe again When you feel all alone  
And the world has turned its back on you  
Give me a moment please  
To tame your wild, wild heart Let me be the one you call  
If you jump I'll break your fall  
Lift you up and fly away with you into the night  
If you need to fall apart  
I can mend a broken heart  
If you need to crash then crash and burn you're not alone Let me be the one you call  
If you jump I'll break your fall  
Lift you up and fly away with you into the night  
If you need to fall apart  
I can mend a broken heart  
And if you need to crash then crash and burn you're not alone  
(Alone) Let me be the one you call

If you jump I'll break your fall  
(You're not alone)  
Lift you up and fly away with you into the night  
(No no you're never alone)  
If you need to fall apart  
I can mend a broken heart  
(You're not alone)  
If you need to crash then crash and burn you're not alone  
(If you need to crash then crash and burn you're not alone) Let me be the one you call  
If you jump I'll break your fall  
Lift you up and fly away with you into the night  
If you need to fall apart  
(You're not alone)  
I can mend a broken heart  
(No no you're never alone)  
And if you need to crash then crash and burn you're not alone Let me be the one you call  
If you jump I'll break your fall  
Lift you up and fly away with you into the night
