

Loveline (Mike Candys Radio Mix)

Kate Ryan

Don't ever hide
Believe inside
It's all I hold on to
Never forget
Sans regret
Or you won't find the real you If you know what I mean say, Ayo!
If you feel what I feel say, Ayo!
'Cause things can only get better If you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together [Chorus] One life
One love All you need in life is one love One life
One love All you need in life is one love The air I breathe
Is pure and clean
And you should breathe it too
Just live the dream
Raw energy
It's taking over you If you know what I mean say, Ayo!
If you feel what I feel, Ayo!
Cuz things can only get better If you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together [Chorus] One life
One love All you need in life is one love One life
One love All you need in life is one love [Bridge] One love
One life
Everything will be alright One love
One life
Everything will be alright [Chorus] One life
One love All you need in life is one love One life
One love All you need in life is one love
