

Help Me (feat. Mike Marshall & Go Hard Black)

E-40

[Chorus:] (Mike Marshall)
I'm out here in the cold
Feels like nobody knows
But can't they see me?
Lord, uh, I need some help
I pray today's the day
That one of your angels, finally
Looks down and sees me
Cause I need some help
I'm on here in the cold
Feels like i'm all alone
But can't you see me?
Cause I need some help
I pray today's the day
That one of your angels, finally
Looks down and sees me
Cause I need some help
