

Body Stuffer

Trash Talk

Dog tied on all fours
No water on the concourse
Pitch black into hot white heat
Over one way streets
Tied up thrown to the side in a vice
Steep price for a debt you created with the man
Traded in a dream, now I need a needle to sleep
Such a tragedy
Catch a fix then I'm on to the next one
Rising with the moon
Dogs barking but only for a second or two
Then I'm on to the next one,
on to the next one,
on to the next one.
Crack rock, crack rock
Stray teeth on the black top
Boneyard where the kids used to play just the other day
Junked up, passed out, crashed out on the overpass
Small debt for a price you created with the man
Traded in a dream, now I need a needle to sleep
Such a tragedy
Catch a fix then I'm on to the next one
Rising with the moon
Dogs barking but only for a second or two
Then I'm on to the next one,
on to the next one,
on to the next one.
