One Good Reason

Taryn Scali

Take me out of here
Place is getting much too small
Make me disappear
Vanish through the nearest wallGive me one good reason why I should stay?
Give me one good reason to go on this way
Give me one good reason why I should stay with you
With you?Take me out of here
Place is closing in on me
Make it disappear
Somewhere else I wanna beGive me one good reason why I should stay?
Give me one good reason to go on this way
Give me one good reason why I should stay with you
With you?Give me one good reason why I should stay?
Give me one good reason to go on this way
Give me one good reason why I should stay with you
With you, with you?Take me out of here
