Private World

New York Dolls

Private World
Private WorldWell I just lost a lover, who done found somebody else
I get cool and lonely, feelin sorry for myselfPrivate World
Private WorldOh, you call that drivin, then see us dream
How could it last, I'm tryin hard not to screamPrivate World
Private WorldThe joint start shakin, it's ready to crumble
The boys are dukin, lookin for a rumblePrivate World
Private WorldOne that is movin, at least I'm movin
(Better shut that door)
Private World
Private Girl
Private World
(Better keep it confidential)Private World
Private WorldOh, you know I want some money, she replies
When uptown comes downtown, better take her for a ridePrivate World
Private WorldHow many called, called my name
I'm tryin to explain, that I'm not the same
In a Private World
In a Private WorldWell I just lost a lover, who done found somebody else
I get cool and lonely, feelin sorry for myselfIn a Private World
In a Private World
One that is movin, at least I'm movin
(Shut that door)
Private World
Private Girl
Private World
(Better keep it confidential)You got to keep it confidential
You got to keep it confidential
When I says hush
Child don't you cry
I'm beggin you hush
And dry those tears from your eyes
You gotta hush
Don'tcha know you gotta hush
(Oh, alright
