

Private World

New York Dolls

Private World

Private WorldWell I just lost a lover, who done found somebody else

I get cool and lonely, feelin sorry for myselfPrivate World

Private WorldOh, you call that drivin, then see us dream

How could it last, I'm tryin hard not to screamPrivate World

Private WorldThe joint start shakin, it's ready to crumble

The boys are dukin, lookin for a rumblePrivate World

Private WorldOne that is movin, at least I'm movin

(Better shut that door)

Private World

Private Girl

Private World

(Better keep it confidential)Private World

Private WorldOh, you know I want some money, she replies

When uptown comes downtown, better take her for a ridePrivate World

Private WorldHow many called, called my name

I'm tryin to explain, that I'm not the same

In a Private World

In a Private WorldWell I just lost a lover, who done found somebody else

I get cool and lonely, feelin sorry for myselfIn a Private World

In a Private World

One that is movin, at least I'm movin

(Shut that door)

Private World

Private Girl

Private World

(Better keep it confidential)You got to keep it confidential

You got to keep it confidential

When I says hush

Child don't you cry

I'm beggin you hush

And dry those tears from your eyes

You gotta hush

Don'tcha know you gotta hush

(Oh, alright
