

In for the Kill (Skream's Let's Get Ravey remix)

La Roux

We can fight our desires
But when we start making fires
We get ever so hot
Whether we like it or not
They say we can love who we trust
But what is love without lust?
Two hearts with accurate devotions
What are feelings without emotions?

I'm going in for the kill
I'm doing it for a thrill
Oh I'm hoping you'll understand
And not let go of my hand

I'm going in for the kill
I'm doing it for a thrill
Oh I'm hoping you'll understand
And not let go of my hand

I hang my hopes out on the line
Will they be ready for you in time
If you leave them out too long
They'll be withered by the sun
Full stops and exclamation marks
My words stumble before I start
How far can you send emotions?
Can this bridge cross the ocean?

I'm going in for the kill
I'm doing it for a thrill
Oh I'm hoping you'll understand
And not let go of my hand

I'm going in for the kill
I'm doing it for a thrill
Oh I'm hoping you'll understand
And not let go of my hand

I'm going in for the kill
I'm doing it for a thrill

Oh I'm hoping you'll understand
And not let go of my hand

I'm going in for the kill
I'm doing it for a thrill
Oh I'm hoping you'll understand
And not let go of my hand

I'm going in
I'm doing it
Oh I'm hoping you'll understand
I'm doing it
Oh I'm hoping you'll understand
