Till Then

the FRIGHTNRS

I never chose to love so sweet a rose
I suppose I was just made that way
Loneliness and gloom fills my lonely little room
Perhaps soon you'll chase my emptiness away'Till then I'll wait
'Till you've reached my gateEvery day I wake it's getting harder just to take
I try to fake a smile but nothing hides my sadness
Pretending that I'm fine I'm only lying all the time
I crossed the line from melancholy into madness
'Till then I'll wait
'Till you've reached my gate
Lying every night
'Till you blessed my sightI never knew what just one dance can do
Now I'm through with all my searching, love I found you
Darling don't you fret I swear this love you won't regret
I will protect and put my loving arms around you
'Till then I'll wait
'Till you've reached my gate
Crying every night
'Till you blessed my sight
