

Lyte as a Rock

MC Lyte

I am the Lyte "A-a-as a rock" L Y, L L Y T E
I am the Lyte "A-a-as a rock" L Y, L L Y T E
I am the Lyte "A-a-as a rock" L Y, L L Y T E Do you understand
The metaphoric phrase 'Lyte as a rock?'
It's explainin', how heavy the young lady is
You know what I'm sayin', King? Yes my brother, but I would consider 'Lyte as a rock'
A simile because of the usage of the word 'As'
And now, directly from the planet of Brooklyn
MC Lyte, as a rock Must I say it again, I said it before
Move out the way when I'm comin' through the door
Me, heavy? As Lyte as a rock
Guys watch, even some of girls clock Step back, it ain't that type of party
No reply if you ain't somebody
Get out my face, don't wanna hear no more
If you hate rejection, don't try to score First base? You ain't got what it takes
You smile, you wink, you big fake flake
You're so pathetic you make my stomach turn
You beg, you borrow, now you have to learn I am the Lyte "A-a-as a rock" L Y, L L Y T E
I am the Lyte "A-a-as a rock" L Y, L L Y T E Lyte as a rock, or I should say a boulder
Rollin' down your neck, poundin' on your shoulders
Never shall I be an Emcee, called a wannabe
I am the Lyte, L Y T E This is the way it is, don't ever forget
Hear the rhyme by someone else and you know they bit
All in the way, just little obstacles
Chew 'em up, spit 'em out, just like Popsicles Suckers out of my way, we're not on the same wavelength
I show stability, potential and strength
On the other hand, you are weak and unruly
Could never be a spy, 'cause you're just a plain stoolie I am the Lyte "A-a-as a rock" L Y, L L Y T E
I am the Lyte "A-a-as a rock" L Y, L L Y T E I'm a slave, I'm a slave, I'm a slave to the rhythm
Def rhymes on the microphone is what I'm givin'
Yes I am a rock and you are just a pebble
Milk turn up the base and rock adjust the levels If a rap can paint a thousand words then I can paint a million
Wait, Lyte is capable of paintin' a bazillion raps
So when I say it, this is what I mean
Audio Two an alliance on the scene And I'd like to say whassup to my producer King of Chill
Party people are you ready, jam if you will
Never underestimate Lyte the Emcee I am a rapper who is here
To make the things the way they're meant to be The World Ultimate, I'm here to take the title
But I had a little trouble upon, my arrival

But I got rid of those who, tried to rock me
Lyte is here, no one can stop me I am the Lyte "A-a-as a rock" L Y, L L Y T E
I am the Lyte "A-a-as a rock" L Y, L L Y T E There are Hip-Hop leaders, this you know
We also have, hip-hoppers that follow
By the tone of my voice, you can tell I am a scholar
I'm also the leader of the hip-hop followers Now get this, I'm at a jam and I'm rockin' it
Suckers like a checkerboard, when black is clockin' it
The grace as I ease across the stage
Bars around the audience, sort of like a cage They laugh, 'cause they assume I'm in prison
But in reality, they're locked in
Once again' I'll state that I can't be stopped
'Cause yo, I am as Lyte, as, rock I am the Lyte "A-a-as a rock" L Y, L L Y T E
I am the Lyte "A-a-as a rock" L Y, L L Y T E
I am the Lyte "A-a-as a rock" L Y, L L Y T E
