

# Words Mean Nothing

Evergrey

My sanity has left me  
My trust died with you  
What is left are only pieces  
My tears fall for youI'm gonna fly  
I'm gonna roll  
I'm gonna thunderSo I place the roses  
So gently on your grave  
And I still remember  
I can feel the flames  
And I know I have failed  
and my promises nothing worth  
I see it all so clear  
But my words mean nothingI'm gonna fly  
I'm gonna roll  
I'm gonna thunder
