Lovin You

Eden Kane

So many nights
With nothing to do
Then you came and rescued me
Somehow you knew
Is it your way
Impossible to say
It's nothing that's infinitive
It's you being youKeep it up
Keep it up
I can't get enough
Make it hot
Make it hot
Too much is not too much
It's all a matter of respecting, boy
And what you enjoyI love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop huggin' me
I love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop, don't stopYou've got the biggest heart
And that's the deepest part
I wanna crawl inside your arms
That's living large
Security at it's best
Pass every test
The things that you do for me
Ain't nothing too hardKeep it up
Keep it up
I can't get enough
Make it hot
Make it hot
Too much is not too much
It's all a matter of respecting, boy
And what you enjoyI love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop huggin' me

I love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop, don't stop
La la la la la la la la laI love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop huggin' me
I love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop, don't stopI love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop huggin' me
I love it when you're lovin' me
Baby don't stop huggin' me
I love it when you're rubbin' me
Baby don't stop, don't stop
