

# Wonderful in Young Life

## Simple Minds

Wonderful In Young Life  
Two weeks in another town  
Sending shivers along in the spine  
Of your friends when they call  
Here she comes  
The wild wind blows  
In rhythms of season  
In young life and reasons  
Deceiving and pleasing to some  
Wild girls wild  
In epic beauty wild  
Surviving these changes  
In paces and faces  
In free wonder  
Free wonder  
Free wonder style Wonderful  
Little Egypt eyes  
Wonderful  
And the world can't wait  
Wonderful  
And the beat's white hot  
Wonderful Dream dream dream  
It's the eighties youthful theme  
Loving the city  
A theme for great cities  
And loved ones  
And love  
Memorize  
A crowded swallow skies  
Whatever the weather  
The climate is perfect for  
So young  
And so young in life  
An angel day  
Angels coming your way  
Screaming food fortune  
And follow  
And look at the memories  
That are stuck in our eyes Wonderful

Little Egypt eyes  
Wonderful  
And the world can't wait  
Wonderful  
Celebrate soul day
