## IAMX

You have been left alone  
The creature of innocence  
You lie for what you're worth  
And struggle with your confidence And when your devil complains  
And tears you up, to start again  
And when you're lying on your stage  
And nothing works, just living hurts Forget, forget  
With the secret harmonic emotion  
Forget, forget  
With the secret harmonic emotion And so we meet again  
To players in a puppet show  
Don't cry for audience  
There's no one that can take you home And when your devil complains  
And tears you up, to start again  
And when you're lying on your stage  
And nothing works, just living hurts Forget, forget  
With the secret harmonic emotion  
Forget, forget  
With the secret harmonic emotion  
Forget, forget  
With the secret harmonic emotion Forget, forget  
With the secret harmonic emotion  
Forget, forget  
With the secret harmonic emotion
