

Waiting For Sundown

Carnal Forge

Leave the world domination to me
Whatever you're looking for, look somewhere else
I have to take it all, and killing you is the best way to get there
Always hiding from the daylight, at war with the
sun

And you know that I am the fallen one
DESTINY MADE ME IMMORTAL
I'M JUST WAITING FOR THE SUN TO COME DOWN
This warrior will change the world's rituals

Still hung up about what you had and lost

Stay right where you are

You've waited long enough to get that killing blow
Always hiding from the daylight, at war with the sun

And you know that I am the fallen one
DESTINY MADE ME IMMORTAL
I'M JUST WAITING FOR THE SUN TO COME DOWN
It must be tiring on your soul

T know that you'll never find shelter

Where is your fire, where is your anger

You have lost it all
I'm on a path that I can't change, I know it and I accept it
If living is so much better than dying, then show me the way...
Always hiding from the daylight, at war with the
sun

And you know that I am the fallen one
DESTINY MADE ME IMMORTAL

I'M JUST WAITING FOR THE SUN TO COME DOWN
Always hiding from the daylight, at war with the sun

And you know that I am the fallen one
