

Vinvm Sabbati

Behemoth

Water's runnin' down
By the silver moon rays
Towards the foundationReflecting themselves
In the mirror ov dreams
And creating deadly forms ov lifeVinvm sabbati
Crystal formula
Melted by the fire ov lustEtera zetgiell
Emoke selene a helios
Bey este'ike eliech
Zeresse'naa essekeeAstral Dominion
By the witches virtu's rul'd
Desire equinox
Tension releas'd liberated
In the senses danseVinvm sabbati
Where the sigil branded
On the breast, for'head
And Temple ov AtlantisRise we upon the ladder
Ov blasphemies
Towering o'er the heavensWhere our empty laugh rings
And fingers touch the face
Ov god disabled
