

# Inspiration (Re-Con Remix)

[Ian Van Dahl](#)

When your dreams are lost and blown away  
And you need someone to make your day  
I'll be your inspiration  
I'll be your inspiration If there comes a time your hope is gone  
And you need some help to carry on  
I'll be your inspiration  
I'll be your inspiration I'll be your inspiration  
I'll be your inspiration 'Cause when you look into my eyes  
You can see there's no disguise  
Don't be afraid to need some one  
You don't have to be alone  
Don't be afraid to need some one  
You don't have to be alone I'll be your inspiration  
I'll be your inspiration 'Cause when you look into my eyes  
You can see there's no disguise  
Don't be afraid to need some one  
You don't have to be alone  
Don't be afraid to need some one  
You don't have to be alone I'll be your inspiration  
I'll be your inspiration I'll be your inspiration  
I'll be your inspiration
